

YESTERDAY, A YOUNG MAN TOLD ME  
THAT DISARMAMENT IS AN IMPOSSIBILITY.  
NOW, I CAN RELATE TO THAT - BEFORE I  
BECAME ACTIVE IN THE PEACE MOVEMENT  
I MAY HAVE SAID THAT MYSELF. BUT  
LOTS OF THINGS THAT <sup>WERE</sup> ~~HAVE~~ ONCE BEEN  
DEEMED IMPOSSIBLE HAVE COME TO PASS,  
WHILE IT MAY HAVE BEEN IN THE BEST  
INTERESTS OF SOME PEOPLE TO MAINTAIN  
THE STATUS QUO, OVER THE CENTURIES  
THERE HAVE ALWAYS BEEN INVENTIVE  
'TROUBLEMAKERS' WHO MANAGE TO TRANSFORM  
THE WORLD WITH THEIR NEW IDEAS.

EXPAND W EXAMPLES.

NUCLEAR WEAPONS, <sup>SIMILARLY</sup> REVOLUTIONIZED THE  
POSSIBILITIES OF WARFARE. THE NOTION  
OF DETERRENCE, PROBABLY NOT AS SOPHISTICATED  
PREVIOUSLY, IS THE BASIS OF ARGUMENT  
FOR PROponents OF NUCLEAR WEAPONS.
